Joseph Andrews, Assistant Principal

Dear Parents/Caregivers and Class of 2021,

I hope this correspondence reaches you and your family safe and healthy. I thank you for your continued support and patience with us. This school year has continued to bring unprecedented challenges and while this school year and last few months haven't turned out the way any of us envisioned, we know that incredible learning, growth, and much has been achieved and accomplished in the world.

All of the customary things that we normally do and in the manner that we do them have been changed due to the pandemic. That's why the Senior planning committee is reaching out to you; to help us make the Class of 2021 celebration of accomplishment one of joy, happiness, and reward for our students.

We want to salute each Class of 2021 student and family member for keeping your eye on the prize. Earning your High School diploma is a major life accomplishment. You have worked tirelessly for the last 12 years and all your hard work will finally pay off.

As for the next steps, you will find an outline of upcoming events and key dates. We are still working with our seniors to ensure that we incorporate their voices as we continue to plan for this year.

We are working with various vendors to ensure that we have the best prices and packages for our families. We are attaching an outline regarding the following items below. Please reach out if you need more information pertaining to the items below:

- Senior Swag Packages
- Senior Rings
- Senior Photographs
- Senior Upcoming Events

Again, Class of 2021, the entire SHR family and community are so proud of you and your accomplishments.

With SHR pride,
Natasha Jack, Ms. Destin, Ms. O'Mealley, and Ms. Fleary
